

Wisconsin

Farmers Market ASSOCIATION

Membership registration form

Successful thriving farmers market take a lot of work. All of us could use some help along the way. The Wisconsin Farmers Market Association (WFMA) was created to bring together resources and expertise from around the state to help farmers markets in Wisconsin thrive. Membership in the Wisconsin Farmers Market Association is open to all Farmers Markets who support our mission and are located in the State of Wisconsin.

We have four different membership types:

- 1 Farmers Market Member:** This category represents an organization of growers, farmers, and artisans selling their products directly to the public. Agriculture related vendors must comprise at least 50% of the vendors at member market. Each member market has one vote. Membership fee is based on market size. All member markets must use their best effort to ensure all vendors comply with local, state, and federal regulations.
- 2 Vendor Member: (\$50)** This non-voting membership category includes all farmers market vendors.
- 3 Association Friends: (\$25 or more)** This is a non-voting membership for individuals, organizations or other interested parties who would like to support the organization.
- 4 Association Sponsor: (\$500 or more)** This non-voting membership is for supporters of the WFMA's mission. Association sponsors will be acknowledge on the associations website.

Choose a Membership Type:	Fee:	Paid:
